## DICTATOR IS REVERSED

Interesting Case Decided by Knights of Honor.

## THE COLLECTION OF DUES

A Change Made in the Whole Method. Death of Another Member Reported—Failure to Reduce Salaries.

At its session held in the Masonic Temple in this city yesterday the Supreme Lodge, Knights of Honor, handed down an important decision in an appeal case which has attracted considerable attention, and over which there appears to have been considerable discussion.

Just what are the details in this interesting case cannot be ascertained. Members are chary of discussing the matter, and the chairman of the Press Committee likewise declines to speak. Only the mere fact of the appeal and the decision are given out for publication.

The appellant in the case was A. S. Brand, of Louisiana. For some cause, which is not stated, this member was suspended, but was afterwards reinstated by the grand dictator of the State, Opelousas Lodge, No. 247, appealed from the decision of the grand dictator and carried the matter before the supreme dictator of the order. Here the decision of the State officer was reversed on a question of law. Brand himself thereupon appealed from this opinion to the Supreme Lodge, the final court. The question came up yesterday in the Supreme Lodge, and the decision of the supreme dictator himself was reversed and the Louisiana member was again reinstated. It was a clear and decisive victory for the appellant.

**The Meeting.** The meeting of the Supreme Lodge was called to order at the usual hour yesterday morning by the supreme dictator. The body at once got down to business, and during the day several matters of interest and importance to the members were brought up and discussed.

Perhaps the most generally important matter of the day was a change in the entire method of collecting the general fund assessment. The lodge dues for the Supreme Lodge has been \$1.50 per annum, payable every quarter in forty cents installments. The law was changed so that this assessment shall be \$1.50, payable at the rate of thirteen cents each month. In addition, the lodge dues are made payable in monthly installments of not less than twenty-five cents. These installments for the benefit of the general fund, and the lodge dues are made payable at the same time and in the same manner, with the same penalties for non-payment as the benefit fund assessments.

The new law will go into effect on January 1, 1933. It provides for a slight increase in expense to the members.

Another death of a well known member has just occurred to further make this session of the lodge a gloomy one. It was the death of a member who had been elected to the convention announced the death Thursday night of Supreme Representative Murray, of Massachusetts.

An invitation has been received to visit the Virginia Club, which is located in the old Van Lew residence. Many have already accepted, and others will visit the interesting old place before they leave.

**MEMBERSHIP AND SALARIES.** Considerable discussion developed yesterday over the terms of membership of certain of the members, who are always chosen for two sessions of the Supreme Lodge. It was decided that the term of those elected since last July, when the change was made to biennial sessions, and whose service began at this session, should extend through the full four years.

An effort was made to reduce the salaries and the allowances for clerk for the supreme dictator and the supreme treasurer, but the movement failed.

The appeal case of A. S. Brand, of Louisiana, was taken up and disposed of in the manner indicated above.

It was voted to create George W. Tander, of Indiana, and Henry Walters, of Louisiana, past grand dictators for meritorious services. The appointments were requested through petitions from the respective Grand Lodges of the two gentlemen.

Also voted to donate a full set of supplies to the Vermont Lodge, at Jacksonville, Vermont, which recently lost its building, supplies, etc., in a fire.

**Notes of the Meeting.** The present session of the Supreme Lodge is one of the most thoroughly planned and harmonious ever held. The visitors seem to be pleased with the city. Up to this time there has been no suggestion of the next meeting place. Final adjournment will probably be reached Monday.

To-morrow the Supreme Lodge will attend services at the Second Baptist Church, of which the Rev. Dr. W. R. L. Smith is the pastor. Special seats will be reserved, and any visiting members of the order will be welcomed by the congregation. An attractive musical program has been arranged. The lodge will assemble Sunday morning at 10:30 o'clock at the Jefferson, and will attend the services in a body.

A notable feature of the present convention is the unusually large attendance of ladies, the wives and daughters of the members. The ladies will meet at 9:30 o'clock at the Jefferson this morning, and will take a drive over the city, visiting the various points of interest.

In the recent report of the discussion over the question of admitting women to membership in the order, the name of Representative R. S. Fletcher, of Jackson, Tenn., was omitted from the list of those who spoke. Mr. Fletcher spoke in favor of the proposition.

Judge Clarke H. Johnson, of the Supreme Court of Rhode Island, and Judge L. S. Ledbetter, both of whom were absent when the session began, have since come in.

**JUDGE ENJOINS THE BOND ISSUE** (By Associated Press.) NASHVILLE, TENN., June 12.—The issuance of \$1,000,000 bonds by the city of Nashville in aid of the Tennessee Central Railroad, has been temporarily enjoined by Judge Clark, of the District Court. The tax-payers voted to issue the bonds about two years ago, and the proposition carried by eleven votes. The validity of the election was at once attacked, and the litigation has been pending ever since. At the last session of the Legislature an act was passed to obviate any latent and apparent defects in the voting of the election, and Judge Clark holds that the law was curative, in so far as it applied to any clerical errors, but that it was insufficient and powerless to validate an illegal ballot.

**Ice Mission.** The Times-Dispatch has received \$120 for the Ice Mission from the William Memorial Circle of King's Daughters.

## THE TEE-DEE VACATIONS

Visions of Green Fields and Pebbly Beach.

## APPEALS TO THE GIRLS

The Summer Outings Offer Has Awakened the Most Widespread Interest. The Proposition Most Enticing.

In this work-a-day whirl, the average girl, Just hails with delight a vacation, A week by the sea, or mountains maybe, Would to her prove the right recreation.

Likewise the same maid, whether jolly or staid, If asked, would accept in a minute, Of a party of three, to make one, you see, And so, to strictly be "in it."

Says Mr. Tee-Dee to Miss Richmond, "You see, Just you vote and I'll pay for the Outing; There's no cause to be blue, for it's easy And there's really no reason for doubting."

**A CANDIDATE.** The Tee-Dee Summer Outing Tours of fer has awakened the muse of poetry, and "a candidate" already next highest on the list is the not highest key-note has been struck and the case stated. Everybody wants a vacation, and when it happens to be a Tee-Dee Outing, where all railroad and hotel expenses are paid, the prospect is especially pleasing.

Dozens of young ladies who send above contribution has voiced the sentiments of hundreds of others.

**A SPECIAL OFFER.** To-morrow's Times-Dispatch will contain an offer to all those who have cut coupons and who are preparing to vote. This new offer will add greatly to the already interesting conditions, and next week will prove a lucky day for someone.

Don't fail to read Sunday's Times-Dispatch story about the Tee-Dee Outing Tours.

For the benefit of any who may not fully understand who can compete for one of the trips, the following explanation is being given:

The offer is made to "any lady who is employed in office, store, school, factory or at home, who by her own efforts contributes in part or wholly to her own support."

There will be fourteen parties, each consisting of two young ladies and a chaperon. The ladies are to be voted for in pairs on the same coupon and each pair will have the privilege of appointing their own chaperon. The pair receiving the highest number of votes will be elected Party No. 1, the next highest Party No. 2, &c. Party No. 1 will have the privilege of making choice of the resorts, party No. 2 the next, and so on.

Think of it, there will be forty-two ladies, fourteen parties, twenty-eight principals and fourteen chaperones, each party to spend a jolly week at the resort of their choice, each party leaving Richmond with a round trip ticket and a receipt for a week's hotel bill.

**BALLOT STATIONS.** Ballots may be cast at these stations at any time up to 6 P. M., July 15th, when the polls will be closed.

## ALL EYES ON UNIVERSITY

Board Meets There To-day to Elect a President.

## CLEVELAND AND OTHERS

Others Are Dr. Moore, Columbia; Presidents Dabney, Tennessee, and Venable, North Carolina; and Miles, Radford—Gossip.

The eyes of all loyal Virginians, of all who love the State, cherish her glorious history and have faces turned hopefully to the future, all who believe in the beneficent effects of higher education and the intellectual training of all the people of the Commonwealth; the eyes of all these are to-day turned toward the University of Virginia, where at noon the Board of Visitors assembled for the election of the first president of the institution built by the combined foresight, energy and intellectual power of Jefferson and Cabell ever had.

This meeting is the most important this body ever held. The immediate future and much of the life of the great school, with its broad, upbuilding influences, is to be placed in the hands of one man. It is needless to dwell upon the importance of the duty which falls to the board. They and the alumni throughout the country fully appreciate it, as shown by the numerous meetings the latter have held in almost every important city in the East. These have expressed the utmost confidence in the board, particularly the large Richmond chapter, which refrained from even making a suggestion.

**THEY COMMITTING THEMSELVES.** The members of the board have been most careful not to commit themselves. No one knows how they came to be suggested, but the alumni, public or newspaper have picked out certain men and names from whom it is supposed the selection is to be made. They are Professor John Bassett Moore, of Columbia University; President Charles W. Dabney, of the University of Tennessee; President Frank Venable, of the University of North Carolina; Colonel George W. Miles, of Radford, and some mention has been made of former President Grover Cleveland.

Not many of the Richmond alumni take the mention of Mr. Cleveland's name in connection with the position seriously. It is exceedingly doubtful if he would accept of the honor.

Hon. Eppa Hunton, Jr., the Richmond member, went to Atlanta Thursday. He was to go from there to Charlotte the next night. Hon. H. C. Stuart, of the last night, Hon. H. C. Stuart, a member of the Corporation Commission, went up last night to be on hand promptly at 12 o'clock.

**North on a Visit.** Mr. and Mrs. Powhatan Breckenridge have gone North for a short trip. Mr. Breckenridge will attend a reunion of the pupils of the school at Rushing, Long Island, which he attended in boyhood. Mrs. Breckenridge will attend her daughter in Baltimore.

**ARE CLOSING UP THE DEAL** Prominent Officials of the Continental Are in the City.

The presence in Richmond yesterday of two or three prominent officials of the Continental Tobacco Company leads to the belief that the deal by which a three-quarter interest in the Butler and Bosher factory passes into the hands of the true owner is now being closed. Mr. Butler, it is understood, was not on the sales yesterday.

The gentlemen here are all from New York. They are Mr. C. E. Hollowell, first vice-president of the Continental; Mr. C. C. Dales, third vice-president, and Mr. Patrick Patterson.
